

Dear Mr. Garrison

29

Mr. Keizinger wishes that I should send
you the enclosed tickets for to-morrow
night. Mrs. Keyman is a friend of ours
& a lady of promise for the liberal party.
The ~~Indet~~ authorities who heard her in
Prochester, arranged the lecture for her.
We should like very much that you would
honor the meeting by your presence and
therefore hope that the weather will
not be a hindrance to your coming.

With sincere respect and the
usual appreciation of your kindness
I remain truly yours
M. E. Zakrzewski
